

STANLEY TOWN COUNCIL
SPECIAL MEETING
OCTOBER 7, 2026, 7:00 pm.

Vice-Mayor Bruce Stoneberger called the meeting to order at 7:00 pm with the following Council Members attending: Councilman Douglas Purdham, Councilman Joseph Mauck, and Councilwoman Robyn Good. Others present at the meeting were: Town Manager Terry Pettit and Gary Shirley with Racey Engineering.

Absent at this meeting were Mayor Knight and Councilman Jeremiah Knight.

Vice- Mayor Stoneberger gave the Invocation and Councilman Mauck led the Pledge of Allegiance.

Gary Shirley with Racey Engineering stated we had three bids with the Chapel Village/Pond Avenue Sewer project.

Bids:

GB Foltz \$228,998

Bush Hong \$178,555

Moomaw \$147,699.

Mr. Shirley stated his professional opinion he suggests hiring Moomaw for the project. They have their Class A, VDOT prequalified, licensed and insured, and they just finished a similar project in Warrington.

Town Manager Pettit stated the town will maintain the line from the meter to the road; the homeowner maintains the line from the meter to the house as well as maintenance on the pump. All the homeowners are aware of what they maintain. The reason for the special meeting was to have the contract signed within 15 days of the project meeting. Due to the postponed regular Council meeting a decision must be made today.

A motion was made by Councilman Mauck to hire Moomaw at \$147,699 for the Chapel/Pond sewer project as well as authorizing Town Manager Pettit to sign the contract, seconded by Councilman Purdham.

Vice-Mayor Stoneberger calls for a Roll Call vote:

Voting Yay

Voting Nay

Councilman Douglas Purdham
Councilman Joseph Mauck
Councilwoman Robyn Good
